

EAR SAVER STRAPS

Comfortable, Adjustable, Easy-to-Use and Reusable!

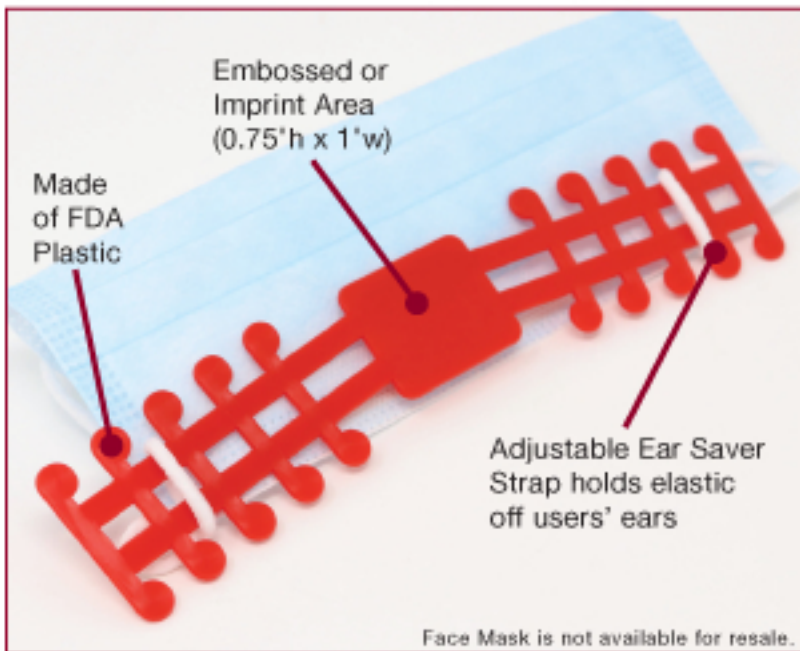

This Ear Saver Strap holds face mask elastics off users' ears allowing for **ear stress relief**.

Offers numerous mask anchor points for **adjustability and flexibility**, this Ear Saver Strap forms to the wearer's head and can easily be trimmed - making a **comfortable** fit.

Enables nearly any behind-ear mask to be **easily fastened** behind the wearer's head, instead of behind the ears.

Easy to clean - can be washed in a warm tub of water and dish soap (and mild bleach as well if you want extra protection) and **reused**.

Customize this Ear Saver Strap with your company or organization's name, message or logo (embossed, imprinted or custom design).
