

In an era where drink spiking remains a concerning issue, particularly for women and students, Alco Prevention steps up with a trio of innovative solutions: coasters, wristbands, and drink covers. Each product is not just a tool but a statement of care and vigilance. 🍹

Our Protective Arsenal:

- ✓ Coasters
- ✓ Wristbands:
- ✓ Drink Covers:

Why Choose Our Products? 😊

1. Customizable: Tailor them with your brand, merging safety promotion with marketing.
2. User-Friendly: Designed for ease and discretion.
3. Community Impact: Show your commitment to creating safer social spaces.

These products offer an effective way to ensure safety while enjoying social events. Let's collaborate to bring this vital message of vigilance and care to your audience. 🍹

Contact us to integrate these life-saving tools into your promotional strategies, enhancing both safety and brand visibility.

Together, we're building safer communities.

## INNOVATIVE WRISTBANDS

Combining function with fashion, these wristbands are a discreet way to stay safe, doubling as a test tool.

## COASTERS
